

VARIFIED / RECEIVE PROOF OF YOUR VACCINE RECORDS AND GET YOUR PASSPORT..... THIS IS WHAT YOU NEED TO DO

Online (through MyHealth Records) SITE

<https://myhealth.alberta.ca/myhealthrecords>

- Albertans 14 and older can view their verified health records, including all vaccines, lab tests and medications, through [MyHealth Records](#), an online tool that lets you access your personal health information from any computer, tablet or smartphone. To sign up, follow the instructions on the website.
- [MyHealth Records](#) will be automatically updated up to 2 to 3 weeks after your dose if you were vaccinated in Alberta. From your account, you can:
 - print a convenient size card (starting September 19)
 - download and use the app to show or take a screenshot of your record

Paper records

- You will receive an immunization record at your vaccination appointment.
- If you lost or require another paper copy, you can print one from MyHealth Records or request a copy through your immunization provider:

Pharmacy or physician's office – contact the location you received your vaccination

AHS Clinic – call 811 to request a copy of your record mailed to you

- Albertans between the ages of 12 and 14 must obtain a paper record from their immunization provider.
