

Fire Evacuation Procedure

At Rocky Mountain Turf Club – Lethbridge, AB

**Address: 3401 Parkside Drive S
Lethbridge, AB T1J 4R3**

Should a fire occur in the barns

- First Call 911
(make sure that there is not a lot of calls to 911)
- Advise Fire department of fire in the barn area and they should come in at Bullys Gate (East side or the North East Gate of the Exhibition Grounds)
- Send a person to direct fire truck where to go
- Have a person(s) make sure the gates on the perimeter of the track are closed.
Gates:
 1. At 7 Furlong (where tractors are)
 2. At the gap across from the Livestock Complex (Blue Barn)
 3. 3 Gates at the campground (300 yd & 5 ½ Furlong & 6 Furlong)
 4. At the Paddock
- If it is safe to go to barns put the horses on the racetrack

A blanket or jacket over the horses head may help remove them from the barn.
- Make sure Fire Department has access to fire hydrants no other vehicle traffic other than Emergency Services vehicles should be present.
- Once the Fire Department arrives, **they** will be in charge of the fire situation and race track personal would help under the direction of the fire department.
